SUMMARY

I am currently working as a *Quality Service Associate* at *Alexa Tech Support* in Amazon. I own testing for two major upcoming features, have worked on 50+ Alexa devices, and contributed tools and guides for unbricking devices. I was recognized on Amazon's Wall of Fame for rapidly ramping up in the testing process and delivering 100% production execution with zero missed defects.

EDUCATION

Sri Sairam Engineering College, Chennai	2021-2025
